“ Tio Tony,

It's me 'little' Freddie, I am very sad and heartbroken to learn about your recent transition to a new plane of existence with your parents and siblings. I have no doubt that you are surrounded with the love of your family.

I want to thank you for all of the wonderful and positive memories that I have of the time that I've spent with you and your family over our respective life times.

A few of the more precious memories include:

You picking me up with one hand and holding me over your head;

The times that you invited me to Padre Island with your family to camp on the beach and fish;

Taking me to your favorite BBQ spots between San Antonio, Lockhart and Fredericksburg;

Teaching me the art of grilling fajitas, chicken, livers, lingua, brisket and kovbasa at the same time on two or more grills/pits;

And oh yes, I will never forget all of the awesome parties for the holidays, birthdays, football, basketball and baseball games.

I also remember the day that I introduced you to the double wood Balvenie scotch and watching your eyes twinkle when you realized the Balvenie was a much different flavor of scotch than Johnnie Walker or Chivas.

I want to wish your family courage, peace and lots of love during this difficult time.

Your oldest Montalvo nephew,

Freddie (Alfred Montalvo Jr)

“ *Pops, I cant describe in words what you meant to me. I know its only been a couple of days. But i miss you soooooo much! My routine with you has come to a halt. I'm so empty inside daddy. I don't know what I'm going to do without you. I am just glad you are not suffering anymore. No more chemo, no more exercises, no more pops.....You can do whatever you want now. Go fishing, go play the slot machines, sit in the Crawford boxes at the Astros game, buy all the scratch offs you want. I just hope you're not cold. I hope its warm for you up there. Hope to see you soon chiquito!!!!*
Love your son, Edward

Tio Tone, I can't believe you're gone. You were the coolest Tio ever!!! I remember you spotting me a \$5.00 bill when I wanted to go out and was broke. (that was a lot of money back then). That was after you barbecued and we ate "corazon" tacos. I will never forget our countless trips to Riverview. You were the only uncle that would hang out with us in the river and would dunk us or throw water on us. I find comfort knowing that you are now pain free, perfect, and rejoicing in paradise! By the way, you'll probably run into my Mama Dear at the closest slot machine, and when you see my Willie give him a big hug for me. Love you forever Tio!!!
