“ *When I met my brother from an other mother. My carnal Antonio. For you guys that remember the chinos store on Canal and 78th. It was already dark and I was running back home from the store, when he came beside me riding his bike. He said, hey what's your name, and I said Nuno, so I asked him what was his name, and he said Chacho. That was back in 1978. You guys do the math. My brother always. We will miss you Tony. Love you brother.*
