“ Though Archie and I were distant from one another, we shared some childhood time and memories. I'd like to think those were "good times" and "quality times". We wish him a restful sleep till we meet again. Our LOVE!

“ I remember him has a loving man and heart of gold. Archie was a great man and honest. He would help anyone out and not ask for anything in return. I remember when i was little and we all went to the lake and he would play with all the kids. He loved everyone.
