“ *Ardell was as close as a sister to me. We shared so much fun in our childhood days when her parents would visit us and other relatives in East Texas. We talked sometimes daily to each other and always laughing and having fun. I will miss our calls with each other.*

“ *She was such a blessing to many, but her family were precious to her. She was my Aunt but also she encouraged gave words of wisdom which were gems and always prayed daily for family members. I'll miss her laughter and the giggles, our long talks but now she's home, she ran the race and now is receiving her rewards, I'm a little jealous because of where she is and who she is getting to see and to worship at The Master's feet. Love you always and see you soon. ❤️*
