

Ardell Esther Weber

January 9, 1925 - August 16, 2019

Ardell Weber, age 94, passed away on Friday evening, August 16th, surrounded by her family. She is preceded in death by her husband of 60 years, Jim Weber, as well as her parents, sister and brother. Born January 9th, 1925, in Nebraska City, Nebraska, the family soon moved to Lincoln, Nebraska where she graduated from High School. It was then, in 1945, that she met and married the love of her life, Jim Weber. Ardell is survived by her 4 children, Tim Weber, Laurie Harris (Don), Todd Weber (Leslie), Jill Arnold (Rusty), 9 grandchildren and 18 great grandchildren. Ardell had a natural talent of that of a sales-person, and started a long successful career in Tupperware in the late 1950s. In 1961, Jim joined her in Tupperware, and they were then promoted to Tupperware Distributors in Topeka, Kansas. After 9 years as distributors in both Kansas and Florida, they were promoted to a Regional Vice President position, which landed them in San Antonio, Texas in 1971. Upon moving to the San Antonio area, the Webers settled into Castle Hills where Ardell became very involved in the Woman's Club, the Garden Club, The San Antonio Breakfast Club and just about any other organization she could participate in. She also was a longtime and active member of Wayside Chapel. Ardell was a strong, kind, generous, caring lady who believed the best in people and was an avid encourager to all. Ardell's greatest love was the love she had for her family, as her family is what brought her the most joy in her life. Whether at home or her beloved lake house, or anywhere, it didn't matter as long as she was surrounded by her family. Her

legacy of love will remain forever, in her family's hearts and homes.

The family would like to thank the wonderful staff at both Brookdale Hamilton Wolfe and Kindred Hospice for the care they provided. A service to celebrate her life will be held on Wednesday, the 21st at 1:00pm, at Wayside Chapel, 1705 NW Loop 410. Memorials may be made in her memory, to Wayside Chapel or to The Cancer Society.

“ So sorry to hear of your Mom's passing. My Mom and Dad had the best times and memories with your parents. I remember your Mom's energy. She would liven up a room in minute. If you weren't energized when she walked into a room, you got energized real quick. She had everyone doing something. Every time a see a piece of Tupperware I still think of your parents.

I was gone when our families did the Ozark trip, but I still remember the Rush Lake fishing vacations. Our Dad's worked for Western Supply Company at the time and I remember they both drove 1958 Chevy Stations, one red and one yellow. The only time I ever played golf on a sand green was in Hastings, Neb. with your Dad.

One of my favorite photos of your Mom is when she and my Mom were were in sitting in a dual outhouse doing their business with the door open. They had the best of times together!

My condolences and wishing you all the very best.

“ My deepest sympathies to all of you. Ardell was always the shining light with so much energy & life. My mom & dad had such great times & memories with your folks. Do you remember the Lake of the Ozarks vacation our 2 families took? Many other good times & visits. While getting organized for a Harry & Helene Becker family reunion this November, I found this beach picture that had been computerized so I didn't have the back side with the names of the other people. My nephew who has the original pic checked the back & the lone guy was your dad. My nephew commented "Poor Jim Weber-didn't have a friend!" And then it dawned on me somebody had to be taking the pic which made me think of Ardell which brought me to her obituary today. Kind of a weird coincidence as I would not have know of her passing otherwise. Hope they are all having a great party once again all together!
Loving thoughts & hugs
