“ I have so many great memories of Susie and her family as we all grew up together. She was a great friend to my mother all these years, she will be greatly missed. I am so sorry I could not make it to any of the services o have family obligations I could not get away. My deepest condolences to the family and know that my thoughts and prayers are with y'all today . These are the times in our lives we know are coming we can never prepare ourselves enough for. I can see her smiling face as she worships at Jesus feet. Glory be to God!

“ I will always be grateful to my Godmother Mandina for her cheerful spirit, irreverent sense of humor and devotion to her family. Her love for my mother, Mary, in particular, served as a rock during hard times. That bond between sisters can never be replaced, but it will never be forgotten. May God hold you in his arms with your beloveds. --Elena Cabral

“ She was a loving mom, grandmother, great grandmother, sister, aunt and friend to many people. She had an adventurous soul and loved life and lived life to the fullest. She was a happy, generous person who would always spread fun, love and laughter wherever she went. As my sister, she taught me how to pray as a child, we shared raising our children together, we went through the death of our parents and siblings, we shared many children's birthdays and holidays together and most of all we shared a deep love for family. We all will miss her laughter, her hugs and kisses, her encouragement, her zest for life and living life to the fullest. I will miss her very much, but I thank the Lord for all the beautiful life we shared and I know that I will carry her always in my heart.
