“ I send my prayers to my family and my deepest sympathy and condolences! I am very thankful and honored to be a part of this family. I will forever be bonded and rooted with the Talamantes family! Dad accepted me in to the family circle and gave me what I yearned for with was stability and consistency and so did Mom. They both love me as one of their own Sons, I know this because I feel that in my heart and soul. Thank you Dad for All the great times that we shared together by a good fire. Thank you for sharing your time and imparting your wisdom with me. My fondest memories with you are countless & far many to name & some are just for me. I have No regrets only "Love" which you displayed to me every time we met. I Love you sooo much and I will never forget you & that smile. I will look for you in paradise when I get there. I know you won't be hard to find because all I'll have to do is look for the smoke and follow it and I know you will be there next to a good fire waiting for me. You will probably say something like, "what took you so long & were are the moyejas"! Till we meet again friend & Dad! Te quiero con Todo mi Corazon!

“ My brother Gilbert and Mari have now been together for at least 18 years now. I've know Mr. Talamantes for about this long. Our families have had many celebrations and get togethers where I saw and visited with Mr. Talamantes. One of the most vivid memories I have of him at gatherings is how I would noticed how he always looked at his family with an expression of being proud and happy to be around them. He always made me and my family feel welcome. January 1st of this year was the last time I was able to visit with Mr. Talamantes and I thank God we were able to visit with him on our family visit to San Antonio. I will miss seeing him watching his family in the flesh but his spirit will be among us and watching from heaven for eternity. I pray the peace of God be with the Talamantes Family. Our thoughts and prayers are with you. Diana Kensing from Arab, Alabama
