“ He'll always be Coach to me. It's amazing how much I learned from Coach----not only about sports but how to be a man and work hard to meet your goals. He instilled a desire to do well. I've often wondered what he saw in me to spend the time and effort

“ I truly feel grateful to Barbara for bringing Paul into my life. Knowing Paul has been a blessing. I will forever remember Paul's kindness and gentle manner but most of all how his eyes lit up when he would see his dog Lacey. Thanks for the memories.
