Mom and son. Here is my mother's baby youngest son out of 10. My brother was close to my mommy. Yes he was a mommas boy. She carried him and watch him grow to be a father, grandfather, step father he was genuine. My brother had a good heart and was humble down to earth. He was a jokester. We all miss him very dearly. I know he is resting in heaven very peacefully. You paid your dues on this earth brother. You earned your angel wings. 🙏 You are free from all the pain. You left your mark. Now we must pick up all the bits and pieces. We must learn to let go, but your memories will live within us forever for eternity. RIP 🙏🙏🙏 9/11/2021

Art is the love of my life. He gave me the best 4 1/2 years together. I have nothing but good memories with him. We were so happy and we were supposed to of had a Ceremony of Unity and in God's eyes married on Sept 4th. We always made each other laugh with the crazy things we would do. He was a good man. We hadn't even been together a year when I was diagnosed with a chronic disease and I told him if he wanted to walk away that I would understand because we didn't know I was sick and he looked at me and said "what kind of man would I be to leave you. I love you and I would never leave you". We both had been through alot in our past and finally found true love. He will always be in my heart and I will cherish the time and memories I have with him. I love you so much and I don't know how I'm going to live without you. I know we will be together again. I can't wait for that day my love. Now I have my Angel watching over me. Thank you God for letting me have him and love him as much as he loved me. It is not good bye babe. It's till I be with you again. I still can't believe it's real. I will love you forever baby. May you rest in heaven my love.

My brother Tudy was my protector as I was growing up. Now he's my guardian angel. 😊 I have great memories of when he would pick me up on his bicycle 🚲 from elementary. I'm the baby of 10 he would pick me up so I wouldn't be alone. People would say we were like twins. Lol! :) He sweet is that... I ❤️ you brother. A love for a brother lives forever. ♪ Amen!

I can't believe this is real 😞 I don't know how much longer I can pretend it's not real. Maybe pretend he's out of town working, and that will ease our sadness. My poor Christopher who I know for a fact loves his father with every ounce of his being cannot be here to say goodbye 😞🙏. My son Mark also loves his father with every ounce of his being as well, I know this. As babies they couldn't wait for their Dad to get home from work! They were always at the window waiting until they'd see him arrive and they'd scream with happiness and excitement!!

“ I remember our last time together in Rock Port, Tx. We all were fishing and spending quality time together, we caught some fish and a dog lol. Uncle Tudy wanted to bring it back home but he escape, that just shows what type of person he was. He was caring enough to save this dog who looked like it needed help and was lost. He offered to help his 3 grandkids cast their lines out, he was patient and taught them something that they will forever cherish. It's really sad because I would of never thought that it would be the last time I would see him alive. Never take each other for granted, one minute your here and the next your gone. I miss you Uncle Tudy, you were one tough guy and at the same time a great uncle, grandfather, brother, Son and father. I will never forget you because how can I, I knew you all my life and for you to be gone like this I can't seem to comprehend 😞

My condolences to his fiance Aricelda and the Quintanilla family. That picture you put is exactly the way I would see you both. Always smiling and happy together. I know he was such a good man to you. He was always by your side when you were sick. He would make sure to call me and keep me updated on how you were feeling. I know that you are going to miss him very much but you are not alone. I love you and will always be here for you. Praying for you and the rest of the family .
