“ *My dad was a firm but fair man. He taught me many lessons in life and in so many ways I'm his carbon copy. These last 3 years my children and grandchildren have all been present for his birthdays. These past years we made him smile laugh cook and say crazy things. Pop you will be missed greatly I love you pop. You'll forever be in my thoughts and prayers.*

---

**Maria Gonzales his only child** - August 18, 2025 at 01:21 AM
