

Arturo G. Jauregui

May 20, 1987 - July 3, 2020

Arturo G. Jauregui, 33, of San Antonio, was called home to be with the Lord on July 3, 2020.

Art was born in Burbank, California and graduated from John Jay High School in San Antonio. He was a greatly revered team leader at the Toyota Motor Manufacturing Plant where he worked for almost a decade. He was an even greater leader in the online gaming world, he made an impact on lives of people he never even met. He was a gentle soul with the biggest heart, everyone's friend and confidant. He loved his family and friends dearly and he is forever going to be missed by all those who knew him.

"There was a man from Toyota that from time to time spoke like Yoda. Voice clear as a bell, strong as Captain Marvel, you ensured your team made its quota." - Wayne White

He is preceded in death by his Grandfathers, Jose Jauregui, and Keith Ion Michael. He is survived by his wife Amanda, loving parents Mother Michelle Ann Herrera (Johnny Herrera II), Father Arturo E. Jauregui (Susan Seto), sister Danielle, brothers Johnny Herrera III, Michael, and Justin, niece Olivia Herrera, Grandmother Juanita Jauregui, Grandmother Mary Alice Sanchez, along with many wonderful Aunts, Uncles, and cousins from California and San Antonio.

Visitation will be held on Saturday July 18, 2020 from 4:30-9:00 pm, with a rosary at 6:00 pm. Masks will be required and social distancing rules will apply. Please do not risk attending in person if you feel you or someone you have been in contact with is feeling sick. The services will be streamed online so that those from a far and those that cannot attend for safety reasons will be able to tune in and view the service. An outdoor screen will also be available so that you can stay in your vehicle. Farewell service will be on Sunday, July 19, 2020 at 10:00 am. We hope to also have a memorial in the future when it becomes safer to gather together.

In accordance with CDC safety precautions, we ask to wear a mask and practice social distancing. There will be limited seating for all services. For everyone's safety please honor the family from a distance. We kindly thank you in advance.

For personal acknowledgement, you may sign the online guestbook at www.missionparks.com in the obituary section.

“ Our sincere and deepest condolences to Amanda and the entire family. It is very true, Art always had a huge smile. He will be greatly missed. Just know that you are in our thoughts and prayers. We had the privileged of meeting Art thru Lisa and Marc Camacho during the times in the valley. They were the first couple we had the honor of going out with, when we first moved here to San Antonio from the RGV. When we got together at Ojos Locos, my husband and brother-in-law had a great time with lots of laughter's. We all need to remember the good times and keep them going. Like my husband says, Art was just a huge teddy bear.

“ My favorite memory of Artie is when I first started going to Jauregui family get-togethers and Chris, Ryan and Artie would always be together talking old memories and adventures, ribbing each other and laughing their heads off. So much love between best friends. We all miss you greatly Artie, give Ryan our love. Uncle doug

Good Bye to my Beautiful Nephew Artie. Thank you for coming into our lives and making us happy. Now you are an Angel in heaven. Miss you very very much. Love you very much. Love, Auntie Gloria

I remember when Artie was a little boy, he always had a can do attitude and kind heart. When he was around 3 yrs old I wanted to tie his shoes, he would say, no I can do this. Many things I would try doing for him, he would say, no I can do this. When he was around 6 or 7, whenever he was in my car and I would stop for gas fill, he would run to the pump and say, I can do this for you. He always wanted to help. I understand he helped raise his brothers and sister when times were tough and mother and step dad had to work many hours. He was always kind and loving. It is not fair that a wonderful person was taken away from us so soon. My heart is broken in a million pieces. God please take care of my nephew. Love, Auntie Gloria

My most memorable moments with my nephew Artie were the times spent outdoors camping during the summers along with his cousins Chris, Ryan & Eric, his dad & uncle Alfred (our cook) who taught us how to catch & skin fish. Those were very precious moments I will never never forget. He has now joined his cousin Ryan, & they will both be together talking & laughing about these adventures. I will miss you greatly Artie. Give Ryan a great big hug for me.

Luv, Uncle Ruben J.

“ My beautiful nephew Arthur,

No words can fully describe the enormity of the kindness and love in your heart that you generously shared. Your presence had a comforting impact on us. Your smile would make us smile. Your kind words would make us think kinder. Your funniness would make us laugh.

I fondly remember when Uncle Doug and I came to visit you and Amanda last year. You were central to the joy of that trip - you made it special and memorable. We had foodie and music fun, educational adventure (museums, UT, your state capitol, and the court!), and sharing precious time with each other.

So thank you for your big heart, your sweet smile, your big hugs, your love. We have been blessed by you.

*Forever in our hearts and until we see you and our sweet Ryan again,
Love and Hugs, Auntie Anna and Uncle Doug*

“ My beloved nephew, little Artie.

You are so dear to my heart. You are kind, loving, gentle, considerate, and funny.

I remember when you were little in L.A. I used to take you to places like Knotts Berry Farm with Auntie Anna and your cousins Eric, Ryan, and Chris, and we would all have so much fun. You were so cute. I would love to show you off to family and friends. Then, you grew up to be a handsome young man. Your recent visits to L.A. were always enjoyable. I will always have these memories to bring me joy and happiness.

Now you are one of God's Angels. I pray that He puts you with cousin Ryan and that He takes good care of both of you.

I miss you very much. I will always love you.

Art, what a beautiful soul, amazing person and man. It's still so hard to believe. You were so full of life left to be lived. We weren't prepared for you to go. You were taken away from us too soon. How I will miss your smile, laughter, bear hugs and your daily words of wisdom, motivation and encouragement. Your presence and positivity was a light & joy to all who knew you. Your absence will no doubt leave a huge hole in us all, but we can all take refuge in that you taught us how to be our best, to live in the moment, to be a loyal friend, to be a good listener, to be kind, to be a team player, to laugh, to enjoy life, to have faith & hope, to give unselfishly, to stay positive and Smile.

Thank you Art, for all the great memories, laughter, hugs and smiles you shared with us all. You made our lives that much more happier. I will always see and remember you smiling and think of you when I hear the song "SMILE". I was blessed to know and call you a friend and coworker for about 10 years. God now has you and your smile and what an Angel will all have in heaven. R.I.P.
