

## Arturo Albarado Johnson

January 23, 1944 - July 25, 2023

Arturo Johnson passed away at 79 years of age on July 25, 2023, in Mansfield, Texas.

After losing his father at age of 5 years old, his extended family of cousins and grandmother were his support and loving family until he joined the United States Air Force at 20 years of age. He served his country for 24 years; first as an Aviation Mechanic then he progressed through the ranks of Master Sargent in the United States Air Force before he retired. He continued his service to his country within the Federal Aviation Administration as an Aviation Safety Inspector for over 17 years. Arturo's valor and skill was recognized with numerous decorations over the years.

He will be missed, but we know he is rejoicing with all his loved ones that preceded him in death, to include: Joan Johnson, his wife of 26 years, his father and mother, Jose and Raquel Johnson, and his brother Mel Johnson. He is survived by numerous grandchildren, cousins, aunts, and uncles and all that loved him. May you fly high on angel wings until we see you again!
