“ As a child I looked up to Art. In my youth he and his mother had my back and aided me selflessly through rough times. Selfless is the first word that comes to mind to describe him. Kind, funny, family oriented are just a few words that barely scratch the surface of who he was. Passing through time I lost touch with Art although he came to mind often. I was unaware of his ailment, and unaware until Saturday evening of his passing. For this I remain ashamed. Ashamed that I had not spent more time with someone who would have welcomed me at a moments notice, because that was his nature. I offer this for my part, that Art was family to me, loved, and revered. I respected him. He had his Mother's heart, that is to say, he was all heart. Much love Art...

“ Truly a loss. Art was such a nice guy and always with a quick wit about him. I am grateful I had the opportunity to get to know him better during the times when I was in San Antonio.and would have lunch or dinner out with Norma and Art. He will be missed. My thoughts and prayers to Norma and Arthur and to their family during this difficult time.

“🕊️ *My Deepest Condolences to Norma & the family.*

He was one of our good neighbors & me & my late husband would see him almost every day walking he's furry doggy 🐕 & of course he would stop to say Hello & here his jokes. Art & my late husband would talk & talk away. I well definitely miss seeing his morning walks down the sidewalk.

Rest In Paradise Art! ☐
