Mister Posada as a patient of mine at ATS was the highlight of my day. I used to specifically request to pick him up, so I could get him something to eat and drink. We would always enjoy a smoke together before we left back to the assisted living, then get our lunch. He was the funniest and kindest person. He knew exactly what to say when I was having a bad day, and all I could do was return the favor on his dog days. He will forever be in our hearts. An one of the best patients we've taken at ATS. I will never forget you, your memory lives on with ATS. God bless you mister Posada, and God bless your family.
