“ Arturo was one of my best uncles. He knew how to always make me laugh, really make anyone laugh. He had quick wit and smarts, always stayed a step ahead. He taught me how to stay strong even at the hardest times in life. He will be deeply missed. We know he's at peace, free from that borrowed body, at last no more pain and will be joined with his loved ones again. Love you soooo much tío Art. Tell my momma I miss her
