“ I can't believe you are no longer here with us my brother! My consolation is that I know you are no longer in pain, and I know you are happy to finally be with your loving wife! You have a lot of our other family members there as well, so you are not alone! I will miss you always, and some day we will be together again!
I m so glad I got to talk to you and seeing you face made me feel so happy, because you looked so good. That's why I just can't believe you are gone. Enjoy our mother and sisters there as well. I love you both! Until some day we get reunited...🙏🙏🙏😭😭😭
My condolences to your kids, that I know they are also hurting for you with an empty hole in their heart...
