

Ashleigh Nicole Gutierrez

September 29, 1993 - August 21, 2020

Ashleigh Nicole Gutierrez went to be with her Mother on August 21st, 2020. Born to Manuel and Laura Alicia Gutierrez on September 29th, 1993 in Colorado Springs, CO. Ashleigh was the baby of the family and a carbon copy of her mother Laura Alicia Gutierrez in beauty and in heart. Ashleigh traveled the United States with her parents as her father served in the US Army before retiring and calling San Antonio home. Ashleigh loved her family with all her heart and missed her mother dearly since her passing. Ashleigh grew alongside older sisters Roxanne and Vanessa (Hector Escobar) and her older brother Jason. Ashleigh was the protector of our family and loved spending time with her nephews little Jason Seth and Jordan and her baby niece Jada who she adored with all her heart and soul. Ashleigh's best friends were her family, Manuel Jr., Laura, Roxy, Vanessa and Jason. She loved cooking for them and speaking with them about everyday life. She will forever be missed and in our memories every second of our life. Ashleigh was preceded in death by her mother Laura Alicia Gutierrez. Her spirit lives in us and she lives in peace with God and her mother.

Your Loving Dad,

Manuel Gutierrez Jr.

“ I honestly think she was my soul mate, today I went searching for her again like I have for about 2 years now after only knowing her for about 5 hours, and i came across this. There is no way to describe how much i would give to have seen her again. I wouldve done anything to have her in my life. We both fell in love at first sight. I felt like God told me she's with Jesus and she cant believe I remembered her even though how could I have not. I regret not trying as hard as I did today to find her. I hope I meet someone like her one day, if you're reading this, I want you to know you made me believe that someone could love me ther way I love them. Thank you so much for your kindness to me, I never deserved it, you made me feel like I did. I know for a fact that I'll see you again, and I can't wait. Goodbye for now, you were the most beautiful girl I've ever seen.

“ *I met Ashleigh through my sister Nanis and she was instantly part of our family. She was a beautiful woman that had the heart of an angel. She loved playing with my grandkids every time she saw them. We actually would have to tell her to let them play and come talk to us. She was a sweetheart. She will always be in our hearts. And we will miss her so much....*

My deepest sympathy to her father, brother, and sisters. You have gained another angel and they are now both watching and protecting you all...

And to Nanis...she will always be with you sister... your beautiful angel.

Ashleigh we will miss you so much and you will never be forgotten.
