“ My name is Ruben Longoria. I was a student of Mr. Brown back in 1978-79. I had wanted to reunite with him but found he had passed. I owe my over 40 year career as a Drafter to Mr. Brown. I have provided a good stable living for my family because of what I learned from him. Every chance possible I loved praising him as a great drafting teacher! I would like to let his Family know how much he meant to me and will not be forgotten. I will miss him dearly!
