“ To my beautiful cousins Joanne, Emma, Debbie, Kathy and your families. My sincere condolences on the passing of your Daddy /grandfather. My heart breaks along with all of you. My memory of Tio Jr. was how much he loved his entire family and always had a beautiful smile on him. He loved calling my Mommy ( Chelo) to remind her to watch the spurs. Prayers for all of you during this most difficult time and especially during the pandemic and not able to be together but we will be with all of you in spirit. May he Rest In Peace and in the arms of Jesus and reunited with your beautiful Mom Tia Georgia and all of our loved ones that have gone before us.

We love you all cousins. Tio Jr. will be missed but never forgotten!

“ First of all my deepest condolences to my primas/primos. I love you all. I have a lot to say about my primo hermano Aurelio. I'll share a few memories. He always hugged and kissed everyone, and always had a smile. We used to work together in the political campaigns and have fun at the headquarters and on the roads putting up signs. I remember when my brother Bobby won for JP in 1982 that Aurelio kept hugging me and smiling and crying. One time we went barhopping early on a Saturday to several bars around Kelly where everyone knew him and he would buy rounds for all his friends. My brothers always tell me how he was a great baseball player and that he liked to fight a little.

Lastly, I know that he had a great life and that he was loved by his wife and children and grandchildren.

Love
