“ Our condolences to the Zamora family ,  
extended family and friends.

*I am sad that we weren't able to gather together this past year. This year hasn't been a great year in many ways. But, as Aurelio would say, "Thank God everyday for blessing us with a new day, for all blessings and keeping us safe each day."*  
*May God bless each one and help you get through this difficult time. May the memories you have of Aurelio bring smiles, a tear and comfort when needed.*  
*Aurelio you will be deeply missed. †*
