“ *The greatest memory I will never forget was the day I graduated high school. We had a family get together at my uncles place and I remember asking my mom if I could drink a wine cooler. First thing out of my moms mouth was "you need to ask her" (pointing at Aurora). My first thought was why, she's not my mom but I went ahead and asked her and she told me yes of course mija you graduated and I'm happy, let's celebrate.*

I'm going to miss her so much, I'm so happy to have spent the time I could with her. I was able to spend part of my birthday with her and a day with her before she passed. She is now resting in peace reunited with her parents, her Steve and Elsita (My mom) and everyone we have lost.

Gone but never forgotten. Rip Aurora Alaniz
