VILLARREAL

May 12, 1947 - November 6, 2013

Aurora Del Carmen Leal Guzmán aged 66; beloved wife, mother and grandmother, entered into eternal life on November 6, 2013 in the loving bosom of her inconsolable family. Aurora was born on May 12, 1947 in the northern Mexican town of Sabinas Hidalgo, Nuevo León. Aurora married her hometown sweetheart and love of her life, Ramiro Villarreal Montemayor on December 26, 1964. She immigrated to the United States with her husband and their first born in 1970, since she has been a permanent resident of San Antonio. She was a proud founding member of the Club Nuevo León of San Antonio, TX. With a dedicated desire to become a citizen of this great nation, along with husband Ramiro by her side, they proudly took the oath of U. S. Citizenship in November of 1993. Besides her ever present unconditional love and unyielding dedication to her husband and children, her legacy is additionally marked by the great courage displayed confronting an incurable illness for more than a decade. Faith and love were always the ever present nature in her transitory life. Our consolation in our faith knows that she's now before the presence of Almighty God our eternal and loving father. An immense void now dwells in the hearts of all those of us who participated in her exemplary life. She is survived by her husband Ramiro, her children: Benito "Benny", Aurora, Ramiro, Alejandra, John Paul, Mirea, grandchildren:

Vanessa Marie, Samantha Ann and Matthew Jacob; brothers, sisters, in laws, nieces, nephews and numerous relatives and her dear friends across international boundaries. Please join us in prayer for the eternal rest of this loving and very caring soul. Visitation will begin on Friday, November 8, 2013 at 5:00 p.m. with a rosary to be recited at 7:00 p.m. at Mission Park Funeral Chapels South.
