“ *my deepest condolences to SAS, the Perkins and Berry family for the loss of Barbara Berry. I am 66 years old and met Barbara when i was around 30 years old she was my account girl and friend. I traveled the North and South Carolina territory for almost 26 years, All of our SAS accounts loved her and became like family to her, she was always pleasant and extremely patient and helpful and was considered the best account representative that our accounts ever knew. I have been retired from SAS for going on 12 years now and often think how fortunate i was to have know such a kind hearted and wonderful person like Barbara. all our love to everyone who knew her Wayne AKA the lifter and my wife Pat Elledge.*
