“ Barbara you were like a sister to me. I hated it when they took our neighborhood on Jeff Loop. We shared a lot of memories. I know you are up in heave with my Debi. Love Elayne Jimmy sends his love too.

“ Mrs. Borgman moved into our neighborhood on Jeff Loop when I was just a little girl. I remember her as a very beautiful lady, always smiling and I loved to hear her laugh.

Fifty years later, my mother has remained friends with Barbara. A couple of times, I took my mother to see Mrs. Borgman when she moved out to the hill country. We had lunch together and she was still very beautiful, still had the same sweet smile and laugh.

Mrs. Borgman, you will beautify the heavens with your beauty, smile and laughter just as you had here on earth.
