“ *To Barbara my Wonderful Friend  
Miles apart but always together at heart.  
We've shared so much throughout the years, happiness and  
sadness, sent letters and parcels,  
Drank coffee, eat ham, cut coupons and shopped till we dropped.  
Hours on the phone and internet setting the world to rights  
So Generous and thoughtful you extended your friendship to all my  
family and so adopted your own English family.  
Thank you for everything my forever Friend, so lucky I met you.  
All my love Sandy  
And your English family

“ Barbara offered so much love, care and friendship to our family, particularly my Mum (Wendy) and Sandy. She even organised a birthday party for my Mum, even though they had not met before. She welcomed our family into her home with open arms and treated us like family. We felt very welcome. Rest in peace Barbara. Reunited with Big Danny ❤️  
❤️ xxxx much love from Leila xxxx
