“ *Bobbi, as my family knew her, was the sweetest lady! I remember my Nanny (Bitsy), Aunt Gail, and her would spend countless hours drinking their coffee, thrift shopping, and telling all kinds of stories. Laughter and smiles were always present when they were together. Through hard times and the best times Bobbi was a best friend to my auntie and nanny. She will be missed terribly. Sending my condolences to the family. Rest peacefully Bobbi! Love you!*

“ *Barbara Ann was full of life & love for her family. Because, we did not live close to each we depended on the phone to keep in touch. Our visits were known to last much more than a normal phone call. We would always find something to laugh about. I will truly miss those visits with her. My mom, Barbara and I made one road trip to my daughter's college one Christmas. Then my husband took Mom, Barbara and me to Branson one summer. Yes, these memories I will always have in my heart to cherish of my cousin, Barbara. I loved her dearly.*
