

Barbara Schreur

January 4, 1944 - November 9, 2021

It is with great sadness and a heavy heart that our beloved mother, grandmother, and friend Dr. Barbara Schreur entered eternal rest on November 9, 2021 at the age of 77. Barbara was born in Neuendettelsau, Germany to Franz and Elsbeth Fischer.

She is preceded in death by her parents, husband (Jay), and son, Stephen. She is survived by her sons, Alex Schreur (Jane), George Schreur, Donald Greer, Jr., (Stacey) and Terry Gastauer (Catherine); grandchildren, Alex Jr., Julian, Jordan, Robert, Elise, Eric, Amy, Kristen, and Zachary; other loving family members and friends.

She was a lifetime member of IEEE and ACM. Teacher and world traveler. During her career, in addition to teaching Computer Science at Texas A&M Kingsville for many years, she also worked on the Space Shuttle and ISS Programs at NASA.

During her career she was a physicist at Columbia Broadcasting System Laboratories, Stamford, Connecticut; attained her master's at University of Arizona, Tucson; taught at Valdosta High School, Georgia; attained her PhD at Florida State University, Tallahassee; was both an associate professor and professor at Texas Agricultural and Mechanical University, Kingsville, Texas; was a member of the Consultant Coastal Board Council of Government, Corpus Christi, Texas; Recipient presentation of shuttle hardware and software, National Aeronautics and Space Administration; software engineering initiative, National Aeronautics and Space Administration,

Huntsville, Alabama; software reuse library, National Aeronautics and Space Administration; fellow Summer faculty fellow.

In lieu of flowers or other gifts, we request that you make memorial donations in her name to the Franz Fischer Memorial Prize c/o University of Arizona Foundation, Good News Lutheran Church in San Antonio, TX, or First Presbyterian Church in Kingsville, TX.

A memorial will be held at a later date. For information, please contact barbara@ctdummy.com.

IF

“ Dr. Schreur was my professor at A&M-Kigsville EECS department. She was a wonderful person and helped me to get a scholarship when my father passed away in 1998. As an international student that scholarship was necessary to finish my BS degree. Lot of respect for her. May she rest in peace! - Iftekher

CD

I just saw that Dr. Schreur has passed. I am a former student, for whom she served as major advisor as I worked (successfully, in no small part due to her patience and guidance) toward an MS in Computer Science at A&I (prior to entering the A&M system) in the late 80's. She was good, good, good. -Clifford (Butch) Durham
