To help support her two daughter's education for the hearing impaired, Beatrice took a job as a school bus driver for SAISD's School for the Deaf and Southside Independent School District. Beatrice retired after 27 years of service to the deaf community of San Antonio and neighboring towns. She became proficient in sign language to communicate with the children and to this day, adults she transported as children still recognize her and her efforts. During her tenure, she never took a sick day and received a perfect attendance award upon her retirement.

In retirement, she enjoyed crocheting, playing Bingo and spending time with her friends and family. Her presence and upbeat spirit will be missed by many.

“ Henry and Sylvia Garza family send condolences to Beatrice family. My memories of Beatrice were mostly of me having training for bus driving. I was very nervous about passing but she helped calm me down. I remembered going to visit when dad took us which wasn't often with 6 kids. I know the Gallardo family love music and dancing and having a good time see Beatrice and Pete and my parents enjoying family gatherings. My childhood memories are few but I do recall the 2 other sisters. She will be missed.
