“ *Mrs. Bea was our son’s teacher when he was at the Mother’s Day Out program at Forest Hills Presbyterian Church. She made our baby boy love school. She also was his teacher in the nursery at OLG. She was such a sweet lady. I saw her last year at Wal-Mart and told her our son was now 12!! She spoke to highly of all “her babies”. May she rest in peace. My condolences to the family.* ”

“ Manuel and I will sorely miss our neighbor and friend. We will miss our conversations and her baking and her food. She was so, so proud of her sons and her grandchildren. She would share how her sons helped others in their jobs, & how her grandkids played ball & how they did. She was sooo proud of them.

I loved hearing her talk about her trips and gatherings with her sisters.

She would often call us and tell us, "I just made some banana bread, or soup, or cookies meet me outside." She was always so generous.

We thank God for that wonderful lady, that we will truly miss her. May the Lord give comfort to her family through the love of all who knew her.

Rest in peace, my friend.

I will deeply miss my best friend and sister in christ . Bea was such a kind, compassionate, caring person. We shared a lot of good times and bad times together. She was always there for me and I was always there for her. We talked every day. Oh my heart is broken. The community of Helotes will miss her also though she is gone she will never be forgotten for everything she did. She did with kindness and love I know at present she is sitting at the feet of Jesus rest in peace, my dear friend. I will see you in heaven one day. Yolie Sollinger
