“ Hi grandma. It's me again, Desiree. I love you and still missing you! I can't wait to see you in heaven. I know you are always with me. Trinity is almost here. I'm naming her Trinity Beatrice martinez ☐ I'm going to make sure she knows who you are because you meant the world to me. Well i love you again grandma! Always have and I always will, with all my heart.

“ It's been 12 years that you have been gone and I still miss you deeply grandma. Just thinking about you makes me cry because by me remembering you is me missing you. I wish you could have been there for my graduation and wedding and still be here for any future kids. I know God has a purpose for you. I love you so so so much.
