“ My deepest and heartfelt sympathy to your family. Bea was such a sweet and kind person and I will always remember that beautiful smile that she shared on a daily basis. Although I've been gone from the Post Office a number of years I still remember her as always being positive and it was a blessing to have known her. I pray that your family will find comfort in knowing how much joy she spread and how many people she touched with her kind spirit.

“ Bea will be missed as only a unique and beautiful LADY (inside and out) can be. She can never be replaced. God blessed us with her smile and gentle spirit but has too soon decided to take her to heaven. There are few people who are as kind and loving as you were. Bea, you never gave less than your best as an employee, wife, mother, or friend.

T, please know that you have many friends to help you down this unbelievably difficult road. God bless and keep you and your family safe in His protective hands. Working with you was always a pleasure.

“ *T, Felicia, I was so shocked and sadden by Bea's passing. She was such a joy to see and speak to when I would walk into the tour managers offices. We would speak of retirement and how she so was looking forward to it. It saddens me that she never realized it; but at the same time I am very fortunate to have known her. My sincerest condolences to both of you and the family. God bless and give you strength in your time of sorrow.*
