“ *Mom, I can't believe you are no longer here. Ditto to everything Erica said in her beautiful comment. Thank you for being the best wife, mother, and grandmother any one could ever ask for. You were always there for each and every one of us till the end. We are who we are because of you. You taught us how to be kind, loving, and caring parents to our own children. You were always the life of the party, and left a lasting impression every where you went. You were always a joy to be around. We love and miss you so much already. Until we meet again. Love your daughter, Jessica.*

“ *Mom, you were not only my mother and grandmother to my son you were my best friend. I was always able to count on you for anything whether it be help of just some good old fashion advice and conversations. You have left us with many great memories of holidays, birthdays, sport events and just regular days spending time together. We were truly blessed to have you as our mom for as long as we did, you were a rare gem that the lord does not make anymore. I love and miss you very much, but I know this is not a "good bye" it is a "till we see each other again". your daughter Erica*
