He only takes the best.

God saw that she was getting tired and in pain, a cure was not to be. So he put his arms around her and whispered "come with me." With tearful eyes, we watched her suffer, each day she faded more and more away. Although we loved her dearly, we could not make her stay, that would be selfish. A golden

heart stopped beating. A hard working hand was finally pain free and put to rest. God broke our hearts to prove to us he ONLY takes "THE BEST!"

“ *I cry cry and cry and hoping the pain would just go Away, to feel happy again and wake up to your face, hugs and kisses again.. the pain is unreal. Even when you thought u were alone mom, you werent I held you so close to my heart every second of the day. There’s no words to explain my hurt. There’s not a day that goes by that I don’t hear your voice or look at our pics. I miss you so much. I love you mom. I love you so much.* ”

“ *Around this time last month you were transitioning, I’m feelin better little by little but I miss you dearly! I wish I could see you talk to you kiss you and hug you! I wish you were still here but pain free. It’s hard knowing you aren’t ever coming back again. I love you mom* ”

“ I knew this day would come but I never expected it to be so soon. The pain in my heart is just lingering there, i wish it would just go away. I feel lost and empty when I come to your house. I walk into your room, I smell you, everything is still in place. Only thing missing is your presence. I want to imagine that you’re at yard sales and you’re coming right back but than reality hits. 💔 You’re now my guardian angel! I miss and love you mom!
