“ My child just found out today about her passing, and she was one of her students @ SWISD. She was a great teacher to all of her students, and she had a lot of patience. She will be greatly missed.

“ I had the privilege and honor to attend and study with Sis Becky at Bethesda School of Ministry.

My first year as a student, I noticed Sis Becky would sit at the very front of the class, always. She took great notes and was very interactive and asked great questions and gave awesome comments. We would call each other during the semester to compare notes.

She strived for excellence, and oh how she loved God... she displayed her excellence in each class assignment, essays, and presentations and displayed God's love with me and our classmates. Always smiling and encouraging. She loved to talk about her family and her students.

I will miss you so. My heart is both happy and sad. Happy that you in His Presence. Wear your crown, Sis Becky. Well done good and faithful servant.

“ I had the honor of having lunch with her over Spring Break. She shared with me her son's wedding pictures. She also shared her professional experiences. Our last telephone conversation was about the rain.

“ What a sweetheart and wonderful woman of God. Always warmed my heart and brought a smile to my face. The children in our class adored her. The ones that struggled with interacting with others she was so great at getting them to open up.
We love you and will miss you Mrs. Becky❤️

“ That you for the great memories that shaped my future. I remember when your boys were born, when you got married, when you found the Lord, and everything in between. Until we meet again my friend. Pray for those of us left behind. May your family find comfort in your strength in the light of the Lord.

“ We are very saddened to hear about Sister Becky's passing. She was my wife Minnie's best friend. We will always cherish the times we went to church, and to visit her at home. She always had a smile and she loved the Lord. She is indeed an angel in heaven praising Jesus Christ. We will always love her and rest in peace Sister till we meet again.

“ I am deeply saddened to hear that our dear Mrs. Salas had passed away. I would talk to her frequently as she passed by my room when she was walking her laps upstairs after school. She was always so kind and cheerful. My prayers are with her family.
