“ *Benny Ben my heart is broken. You left us way too soon. We will forever miss you on holidays and you just popping in "Hi auntie, where's the girls?" Our only comfort is the promise that you are in paradise with granny, grandpa, and your big sister Vanessa. I bet she's beautiful just as she was when she was little. RIP my baby cousin.. Love, Shirley*

“ *Benny! I'm heartbroken that holidays won't be the same without your sweet smile and hugs. Im so thankful for all the beautiful memories we've all shared as a family! You truly are loved by so many. I'm sure you're probably in heaven already with your sister catching up. I have so much faith that you are in the hands of our AMAZING and loving God. I know he sent his angels for you and you're happy right now in such a glorious beautiful place. We will all rejoice someday in accordance to God's plan. Please watch over our family and give them the strength and faith they need to heal their broken hearts.*

*"The Lord is my shepherd, I lack nothing.
He makes me lie down in green pastures,
he leads me beside quiet water,
he refreshes my soul. He guides me along the right paths
for his name's sake.
Even though I walk
through the darkest valley,
I will fear no evil,
for you are with me;
your rod and your staff,
they comfort me."
