“ Dearest Ximenez Family, I am very blessed to have known Benny during and after my high school years. As mentioned, indeed he was so jovial and smiling all the time which cascaded through to anyone around him. A number 1 baseball and football fan of Burbank High, I could see him waving and cheering us on during a ball game. I had several honors classes with him and he made them exciting and fun, of course I always sat next him in class and during graduation with his X last name and mine a Z. He was a symbol of our class of 1980. A piece of us is now missing, but we know where he is now, peaceful and with his big gleaming smile. Your friend and classmate, Bill Zerda.

Benny had a huge heart for everyone he encountered. He was easily befriended and he was always positive and well liked. The class of 80 is very saddened and heartbroken about his death. May his family find comfort in knowing Benny was well loved by all.
