“ I can still remember as a little girl waking up a few times at my grandma and grandpa’s house and my grandpa making atole for me before I left to preschool. I remember the love he had for horses and being at the ranch. With so many missed years apart. I am and will forever be grateful that I was able to reconnect with him many years later. What’s crazy is how he was the same as I remembered him. Loving and full of life. I will cherish the memories we got to share with him, from the time he was able to attend my wedding and meet my Husband and his great grand daughters for the first time. I will miss hearing your stories you also shared of your military days every time we saw you. I know you have lots of catching up to do with all your loved ones in heaven! Rest In Peace Grandpa, you will forever be missed my many!

“ I remember my grandpa being nice and happy each time I’d see him, never a dull moment with him. I wish I would have spent more time with him recently but regardless I love my grandpa Benny and I will truly miss him so very much 😞

“ I remember this day, it was a couple yrs ago. I went to heb with my girlfriend vonnie her sister valerie and their dad juan and grandpa Benito. Grandpa wanted to race so i grab my own scooter and started to drive right behind him trying to get around. I never got the chance to thank grandpa Benito for helping raise my two beautiful neices Valarie and Vonnie. But he knows he did a wonderful job. I will miss the strongest man I ever knew.
