“ I share this candle with you . Because if anyone knows you as they do . You my friend loved candles . I was saddened to get the message that you are now in a better place . No worries just at peace . Believe me that you will be missed dearly by many . I just can't believe you aren't here with us anymore . Words can't express what I am feeling right now . Never to hear your voice , your loud voice . I'm going to miss you so much . But I know you are watching over me right now . So till we meet again my friend . And don't worry little Lucy will be fine . She has lots of people watching over her ❤️❤️❤️
