“ I met Ben when Savannah and Brooke joined our softball team! He was definitely one of the fun cool dads that you wanted to hang out with and my parents loved him! Such good memories being out with all of y'all on the weekends. Sending lots of hugs and prayers for strength through such a difficult time.

“ Our condolences to Robin and family. We were saddened to hear of Ben's passing. We fondly remember passed days of cheering on our daughters together in many CYO, Little League, Select team and High School sports games. Ben was a good father and grandfather, always there for his family. Our prayers and thoughts are with his family during this time of their loss.
