

Benjamin Cecil Sibley

May 4, 1924 - May 26, 2021

Benjamin Cecil Sibley was a simple man. A simple man who did not leave a simple impact on those around him. The eldest of 8 children born in Gainsville, Texas. He took an early role as a supporter providing for his mother and brothers and sisters so they could have a better life. When he was old enough he joined the military in 1942, and served during World War II, Korea, and Viet Nam and sent half his pay home to his family. He met the girl of his dreams at a St. Patrick's Day dance at the USO in San Antonio, Texas. He married Aurelia Garcia and began a family with her. They had 3 daughters who were their prized possessions (Bonita, Victoria and Jenifer) a hard working man he retired from the military and began work as a civil servant. His family grew and his impact spread as he had 7 grandchildren(Doreen, Charles, Aytch, Mathias, Shane, Hagar and Ahmed) and 3 great grandchildren (Madison, Elizibeth and Victoria) and 1 great great grandchild(Rowen) but it wasn't just his family he impacted it was his neighbors, his church, his motorcycle group(TMRA, CMA) and the countless number of 'strangers' (who were friends he hadn't met yet) that he touched in some way. He would give all that he had to anyone that asked for it and he would always be remembered fondly. They say the measure of a man is the impact he leaves behind in those he loved. If that is the case then Benjamin Cecil Sibley is a meteor of a man. He will be missed by all who were lucky enough to know and love him. He was a long time member of the VFW, ELKS, and many other organizations that were involved in helping the homeless and

others less fortunate. He was preceded in death by his wife, Aurelia, of 68 years.
