ME

“ *An old friend from La Mission de la Espada. I first met Benny as he was my leader at the Recreation Program that was held at Espada Mission one summer back in the mid 70's. I soon realized how close we lived to each other and how well our siblings knew of each other as well. I also enjoyed some of the fishing trips with Benny and quickly realized how much he really enjoyed it. I didn't get to see much of Benny in the last few years as I would have liked to but always kept any eye out for him as we would always catch up and enjoy some memories and laughs. I will certainly think of him next time I am out on the water enjoying some fishing time.
Benny will be greatly missed.*

My deepest Condolences to his entire Family.
