

Bernadeth Surjadinata Beadles

July 15, 1976 - July 22, 2022

Bernadeth Surjadinata Beadles was born on July 15, 1976 in Jakarta, Indonesia. She was preceded in death by her father, Djohan Surjadinata. She was survived by her loving husband Terry Beadles, her son Jacob Bowen, her mother Elizabeth Angkola, her sister Angela with her husband Wirhan and their son Jordan Sentosa. The Beadles family, Barry and his wife Darlene who took in Bernie as their own daughter, her sister-in-law Wendy and her husband Rob, and their children Lauren, Kayla, Courtney, and Blake Cortinez.

Bernie's parents wanted her to go to college in the USA. Following her sister, Bernie studied at Oklahoma State University where she received her Master of Science degree in Biosystems Engineering in 2000. She loved doing research and continued her studies at Texas A&M University where she received her Doctor of Philosophy degree in Food Science and Technology. Her family was so proud of her achievements.

In 2006, Bernie started her first manufacturing job as a QA technician for Diageo in Menlo Park, California. She worked there for three years, and then moved to Corpus Christi, Texas in 2009 to accept the role as a QA Manager for PepsiCo. She devoted four years to implementing many new food safety systems for food audits.

Bernie was honored with a "Circle of Champions" award, which recognizes

only 1 percent of PepsiCo's more than 150,000 global Operations associates. This special award is to recognize PepsiCo's top performers from all over the world.

Bernie moved to San Antonio, Texas in 2012 and began working for Bay Valley Foods as the QA Manager.

She married Terry Beadles on a beautiful July 4th day in 2015, surrounded by their family and friends. Bernie loved her cowboy boots and country western music, especially any songs by George Strait. Bernie and Terry have been to seven George Strait's concerts throughout the United States.

This past year, Bernie's health started to decline. She had many doctor's check-ups and tests, but they could not figure out what was wrong to give her proper treatments. She did not want to make anyone worried about her. This past week, her health condition declined rapidly. She was admitted to ICU on July 22, 2022 and transitioned to eternal life at 10 p.m. in San Antonio, Texas.

What we're going to miss most about Bernie is her beautiful smile, great laughs, and kindness.

The family will be available for Visitation at Mission Park Funeral Chapel on Wednesday, July 27, 2022 starting at 5 p.m. followed by a Catholic funeral service at 6 p.m. The service will be live-streamed.

"Eternal rest grant unto her, O Lord, let perpetual light shine upon her. May her soul and the souls of the faithful departed, through the mercy of God, rest in peace."
