“ *Aunt Berni,
Words can't describe what you mean to LA Familia. We all have memories of visits to San Antonio and when you and Sam and the kids would share Christmas and other events in Marlin at Mama Maggie's aka Moms. The laughter. You loved to laugh and joke around. When everyone got to serious you spoke your mind and then found something to laugh about. You always had so much Joy. Even in your hardest times you always smiled. You found Joy and Shared it!
You and the kids hosted us on our vacation years back and I have never forgotten that. You made family the priority.
You won't be missed in word only but in feeling! Your essence will live in my heart. You hold a dear space of my heart that noone can ever fill. The memories I have will be the only thing to keep that space warm and lasting. Tia you always dismissed people with a laugh and I love you. That is eternal Tia!
Rest well.*
