“ I remember when we went to Corpus Christi for the weekend. It was Nana, Grandma Aunt Bertha, Bianca and myself. Aunt Bertha to get a change of clothes for grandma and she couldn't find any of grandma's clothes. I just happened to be there because I was getting a change of clothes for me and Bianca and Aunt Bertha had asked me to help her find grandma's clothes Nana came up behind me to help ... and low and behold grandma had rolled up all her clothes in tiny little rolls into her purse. When Aunt Bertha started laughing we all started laughing... her laugh was intoxicating. I loved her laugh. It could fill up a room. I will miss that .
