*To the entire Family,
I Love You All, and am so incredibly saddened by Mom/Nana's swift passing. I take comfort knowing she was where she wanted to be, at home. You all did an incredible blessed time being with her, and caring to her every need. She peacefully went to heaven to be our newest Angel. I so wish I could have been there as well. She knew I was in spirit anyway. She was our Angel on Earth as well. She raised an awesome family, remember it's not what you have or had, it's what you left behind, to care on together as she taught everyone how to truly Love Family. And close friend's of the family. She will forever be missed here by everyone of us you loved her. Always in our heart's and on our minds. Together with Diana, is how she will be looking over us. God Bless her Soul.*
