

Bertha Arias

February 20, 1935 - May 11, 2023

Bertha Arias went to be with the Lord on May 11, 2023. She was born February 20, 1935, in San Antonio, Texas to her parents Catarino and Ramona Arias.

Bertha graduated from Lanier High School in 1954 in San Antonio, Texas. Shortly after high school she started her career in civil service as a secretary for the Inspector General at Lackland AFB. Moving careers and transferring to Kelly AFB she worked as a production controller supporting her family of 7. She was an independent and strong woman working multiple jobs to ensure her kids were provided for. After serving in the Civil Service for 30 years she decided to retire. During retirement she enjoyed traveling with her senior group, the OWLS and gardening. She had a love for St. Augustine grass, rose bushes and oak trees and worked hard to grow her yard. She loved to joke and laugh, being a member of multiple senior citizen centers and participating in the many activities those centers had to offer. She made a point to travel to visit her family members outside of San Antonio.

“ Aunt Bertha thank you for always being a good aunt to us! We only have good memories of spending the night at your house, taking small vacations to Astroworld, and most of all your company when you came to visit. You were always a hard-working woman even in your later years at Walmart and always ready to wear your Christmas hat to greet the crowd. The spurs were your number one team always ready for the game with your popcorn and snacks. We will remember you in our hearts.

To my cousins, there are no words for your pain and this journey, but just know we love you and we are here for you in this time of need. Praying for peace and comfort, may the Lord Bless you all.
Love cousins Linda and Evie.
