“ *Bertha has always been in my life. We shared laughter, tears, milestones so many things. She gave all of my family love and joy. Even after she moved to assisted living and we came to town to see her she would meet us with a hug and that wonderful smile and make us laugh at her stories of playing bingo there. My daughter and grandson both would go visit “Aunt Bertha”. We will always miss her. Cheryl, Jim and Tim thank you for sharing this beautiful woman with us. Her love for her husband and her children will always be the first thing I remember about her. When we would be ending a visit she would tell us I love you, thank you for coming. Bertha we love you, thank you for loving us.* ”
