“ carol and family, i'm sorry i couldn't be with you for your mother's services. your mother and father, Eugene, were loved so much by my mother, Hilda Arevalos, as well as by me and my sister, Laura. they were at so many of my mother's parties. and even at her passing, they were there. i remember your parents, sitting and talking with them at the Commander's House when I would go have lunch with my mother. i'm so sorry for the loss of your parents, so close together. please know that i have thought of Bertha and am so sorry i didn't see her before her passing. i would think of going to the Commander's House to see your parents, and never took the time to do it. that's the story of life, too busy, then it's too late. I will miss your parents. Love Mona Arevalos
