

## Bertha Hernandez

May 6, 1960 - May 26, 2026

Obituario de Nuestra Amada Madre, Bertha Irene Hernández-Villa

Con profundo dolor, un dolor inimaginable, pero también con infinita gratitud por haber compartido la vida con ella, anunciamos que las puertas del cielo se abrieron para nuestra amada madre el día 26 de mayo del 2026.

Nació el 6 de mayo del 1960 y durante su vida dejó una huella imborrable en todos los corazones que tuvieron el privilegio de conocerla.

Aquí en la tierra deja a su amado esposo, Adrián Hernández. A sus hijos: Adrián Hernández, Jr., su esposa Stacey Hernández y sus hijos Audrey Hernández, Ethan Hernández e Isaiah Hernández; su hijo, Robert Hernández, su esposa Susana Hernández y sus hijos Melody Hernández, Noah Hernández, Abraham Hernández y Elias Hernández; y a su única hija y la menor de sus hijos, Mayra Hernández, junto a su esposo Ciro Leonel Medina y sus hijos Gael Medina y Ale Medina.

En el cielo la recibieron sus padres, Melecio Villa y Susana Villa, así como

sus hermanos Julio Villa y Laura Ojeda.

Aquí en la tierra también deja a sus queridos hermanos y sus parejas, Maria del Pilar Salazar (Luis+), Mercedes Romero(Jesse), Silvia Portillo(Esteban), Raquel Donnell(Joe+), Maria Stephens(Morris), Fidencio Villa (Veronica), Julia Soto(Marcial), Gabriela Villa y su cuñado Jose H. Ojeda(Ana Laura+), además de muchos sobrinos, familiares, amigos y todas aquellas personas que fueron tocadas por su amor y generosidad.

¿Qué podemos decir de nuestra madre que ya no sepan quienes hoy celebran su vida? Fue una maravillosa madre, esposa, hija, hermana, tía, compañera de trabajo y amiga. Su corazón era inmenso. Amaba profundamente a todos y aun cuando alguien la lastimaba, siempre encontraba la manera de perdonar y seguir amando.

Nuestra madre era una mujer que unía a las personas. Siempre quiso ver a la familia conectada, unida y llena de amor. Era una mujer alegre, llena de vida.

Le encantaba bailar, cantar, convivir y disfrutar cada momento. Muchos pensarían que llevaba unas copas encima por la manera tan feliz en la que vivía, pero la ironía es que no necesitaba una gota de alcohol para contagiar alegría; así era ella naturalmente.

Claro, también tenía ese lado de mamá mexicana fuerte y disciplinada. Era experta con la chancla, y aunque a veces sus palabras eran duras, cuánto la amábamos y seguimos amando. Hizo siempre lo mejor que pudo con lo que

tenía. Nunca estuvo ausente en nuestras vidas ni un solo día. Trabajó arduamente en distintos empleos para asegurarse de que nunca nos faltara nada y para darnos oportunidades, actividades y experiencias que ella quería que disfrutáramos.

Mi mamá sentía un orgullo inmenso por cada uno de sus hijos y nietos. Éramos su alegría y fuente de vida.

Y como abuela... fue simplemente la mejor. Sus nietos jamás dudaron de cuánto los amaba. Fue la mejor yaya, abuela, welita, grandma y hasta "Mamá Coco" para muchos. Su amor por ellos era inmenso y puro.

Y como esposa... Mi madre amaba a mi papá. Era su vida. Y aunque se quejaba, porque era buenísima para expresar lo que sentía, lo amaba profundamente. No podía estar sin él; fue el único amor de su vida.

Su historia comenzó cuando ella tenía apenas 16 años. Se casaron en 1978 y compartieron 48 años juntos. Vivieron muchas tribulaciones, pero siempre fueron inseparables. Fueron, verdaderamente, la definición de estar juntos en las buenas y en las malas.

Otro detalle muy significativo para mi madre era su rol como empleada. Ella era CNA y dedicó la mayor parte de su vida a cuidar de sus monjitas. Las adoraba y las cuidaba con muchísimo amor y compasión. Qué regalo tan grande y qué don tan especial fue poder cuidar de los demás y trabajar con la gracia y dedicación con la que ella lo hacía.

No existen palabras suficientes para medir cuánto amamos y seguiremos amando a nuestra mamá. Nuestro deseo y esperanza es que viva para siempre en el corazón de todos nosotros y que jamás olvidemos su espíritu alegre y amoroso.

Mami, te amamos con toda el alma. Sabemos que ahora mismo estás lavando los pies de Jesús, como siempre deseaste hacerlo.

También sabemos que debes estar bailando y celebrando junto a Elvis Presley, Vicente Fernández, Jenni Rivera y Aniceto Molina.

Sigue bailando mami, sigue disfrutando la vida eterna y cuídanos desde el cielo como la gran mamá osa que siempre fuiste aquí en la tierra.

Descansa en paz, mami.

Te amaremos por siempre y para siempre.  
Con amor eterno,  
tu familia y amigos.

## Obituary of Our Beloved Mother, Bertha Irene Hernández-Villa

With profound sorrow, an unimaginable pain, but also with infinite gratitude for having shared life with her, we announce that the gates of heaven opened for our beloved mother on May 26, 2026.

She was born on May 6, 1960, and throughout her life she left an unforgettable mark on every heart that had the privilege of knowing her.

Here on earth, she leaves behind her beloved husband, Adrián Hernández. Her children: Adrián Hernández, Jr., his wife Stacey Hernández, and their children Audrey Hernández, Ethan Hernández, and Isaiah Hernández; her son Robert Hernández, his wife Susana Hernández, and their children Melody Hernández, Noah Hernández, Abraham Hernández, and Elias Hernández; and her only daughter and youngest child, Mayra Hernández, along with her husband Ciro Leonel Medina and their children Gael Medina and Ale Medina.

Waiting to welcome her in heaven were her parents, Melecio Villa and Susana Villa, as well as her siblings Julio Villa and Laura Ojeda.

Here on earth, she also leaves behind her beloved siblings and their spouses: Maria del Pilar Salazar (Luis+), Mercedes Romero (Jesse), Silvia Portillo (Esteban), Raquel Donnell (Joe+), Maria Stephens (Morris), Fidencio Villa (Veronica), Julia Soto (Marcial), Gabriela Villa, and her brother-in-law Jose H. Ojeda (Ana Laura+), along with many nieces, nephews, relatives, friends, and all those whose lives were touched by her love and generosity.

What can we say about our mother that those gathered here today to celebrate her life do not already know? She was a wonderful mother, wife, daughter, sister, aunt, coworker, and friend.

Her heart was enormous. She loved everyone deeply, and even when someone hurt her, she always found a way to forgive and continue loving.

Our mother was a woman who brought people together. She always wanted to see family connected, united, and filled with love. She was joyful and full of life.

She loved to dance, sing, spend time with others, and enjoy every moment. Many would have thought she had a few drinks in her because of the incredibly happy way she lived, but the irony is that she never needed a drop of alcohol to spread joy; that was simply who she was naturally.

Of course, she also had that strong and disciplined Mexican mother side. She was an expert with the sandal. And although her words could sometimes be harsh, how deeply we loved her and continue to love on her. She always did the best she could with what she had. She was never absent from our lives, not even for a single day. She worked tirelessly in different jobs to make sure we never lacked anything and to give us opportunities, activities, and experiences she wanted us to enjoy.

My mother felt immense pride in each one of her children and grandchildren.

We were her joy and her reason for living.

And as a grandmother... she was simply the best. Her grandchildren never doubted how much she loved them. She was the best yaya, abuela, welita, grandma, and even "Mama Coco" to many. Her love for them was immense and pure.

And as a wife... my mother loved my father. He was her life. And although she complained, because she was very good at expressing what she felt, she loved him deeply. She could not be without him; he was the only love of her life.

Their story began when she was only 16 years old. They married in 1978 and shared 48 years together. They lived through many hardships, but they were always inseparable. They truly embodied the meaning of being together through good times and bad.

Another role that was deeply meaningful to my mother was her work as an employee. She was a CNA and dedicated most of her life to caring for her "nuns." She adored them and cared for them with immense love and compassion. What a beautiful gift and special calling it was to be able to care for others and work with the grace and dedication that she did.

There are not enough words to measure how much we love and will continue to love our mother. Our wish and hope is that she will live forever in all of our hearts and that we never forget her joyful and loving spirit.

Mom, we love you with all our souls. We know that right now you are washing

the feet of Jesus, just as you always wished to do.

We also know that you must be dancing and celebrating alongside Elvis Presley, Vicente Fernández, Jenni Rivera, and Aniceto Molina.

Keep dancing, Mom. Keep enjoying eternal life and watch over us from heaven like the great mama bear you always were here on earth.

Rest in peace, Mom.

We will love you forever and always.

With eternal love,  
your family and friends.

“ My grandma was the definition of “full of life”. Bertha light up every room she walked in, the definition of joy, a loving person, amazing grandma and mom, but most importantly a Woman of God. It’s hard to believe you’re gone, but on 5/26/26 you graduated to heaven and the angels rejoiced and welcomed you home. Heaven gained a beautiful angel, an angel with the most BEAUTIFUL voice. One no one can compete with. I was blessed almost 22 yrs with this woman, she gave me an amazing family and showed me so many things. I love you grandma, and my heart hurts but I know you wouldn’t want me to be in pain over your death but to rejoice because you’re with Jesus. I love you grandma, your memories flood my mind and my heart. You’ll never be forgotten I can promise you that ❤️ .
