“ Mother: Please know that we are all going to be okay. I miss you so much. I just know that Daddy was there to meet you; you missed him so much. Find a little space in heaven and do some sewing - everything you made was so beautiful. I love you Mother!

“ Mom,
I had a difficult time letting you go. I wanted you to get better, but I saw what a hard time you had. We, your children will be fine, we will always remember what a good mom you were. Love you always.
